

HYUNDAI ILOAD KOMBI

The best value Kombi on the market in Europe

FROM SWISS VANS 01656 674620

HYUNDAI iLOAD KOMBI

The Hyundai brand has grown to the 5th largest vehicle brand in the world. Eastern brands excel at electronics and as such now tend to dominate reliability surveys. The iLoad is no exception and comes with the confidence of

5 year 100,00 mile
guarantee

1 year roadside assistance
0800 246833

10 year through corrosion
bodywork guarantee

Hyundai is the worlds
fastest growing vehicle
manufacturer.

It is committed to
developing new
technologies in order to
lower emissions and secure
the future.

Unlike other manufacturers
Hyundai believe in order to
attain increasing build
quality the only way is to
control the entire process.

Hyundai

Produce their own steel

Build their own robots

Own their own test drive
roads.

Hyundai is no longer a
brand that can be ignored.
