set eiusmod tempor incididunt et labore

4.0 M AND 4.5 M

<http://www.vansales.com>

## CITROEN RELAY LUTON

The Citroen Relay Luton has many advantages over competitors.

Light design means, better fuel economy and an increased payload.

There are two variants, a 2.2 Litre six speed diesel and a 3 Litre L4 chassis used for the slightly longer conversions.

### Dimensions

Standard 4.0 Load length

Maxxi 4.5 M load length and 3.0 engine upgrade.

Two tie rails as standard

Roller shutter door standard

Phenolic floor

Lights and interior lights

Made from GRP with white gel coat to take knocks.

Light and strong, maintenance free .

Seats 3 in front  
Standard Citroen guarantees

## INTERIOR

### RELAY INTERIOR

The Citroen Relay Luton gets a modern interior. Six speed. CD player, drivers airbag. Larger than normal mirrors on the van make driving easier and safer.

Comfortable multi adjustable drivers seat.

3 year 100,000 mile guarantee

That can be used in your local Citroen Dealer.

Best ever resale value.

Either

## OPTIONAL ACCESSORIES

### CUSTOM PLASTIC COLOURS

Delivery 20 weeks plus.  
 Custom factory orders  
 Minimum first order 10 vehicles plus  
 Chassis factory painted  
 GRP custom gel coat coloured  
 at factory to match hence minimum order  
 applies

### LOCAL RESPRAY

We respray both the cab and the luton to  
 colour choice.  
 Finish is not as good as custom plastic  
 due to hand finish. This needs to be  
 understood.  
 Single vehicles can be done  
 From £2999

### CURTAINSIDE

All lutons can be ordered with a  
 curtainside to facilitate easy fork lift truck  
 access.

POA

### SIDE LOAD DOOR

A side load door added to ease loading of  
 the vehicle.  
 POA

### BARN DOORS

Solid barn doors instead of roller shutter  
 doors.  
 Ring.

### DROPWELL CONVERSION

Easier loading and unloading without a tail  
 lift for removal companies  
 From £899

### AIR SUSPENSION

Can be fitted to any luton.  
 Urban myth is that it will increase payload  
 or make you immune to payload  
 restrictions. False.

From £2999

### GLASS FRAIL

Yes just that. For fraction of what you  
 thought they cost.  
**Ring.**

### ALTERNATIVE PLASTIC

Built the van from a stronger lighter  
 aramid material that is recyclable.  
 Increase payload  
 Greener  
 Reduce fuel consumption
