

## TRANSPORTER KOMBI SPORT

The best value medium Sports Van in Europe

ALWAYS IN STOCK OR ON ORDER

## TRANSPORTER SPORT KOMBI

The Transporter Sport Kombi combines practicality with good looks.

Low running costs and high resale value make this van a best seller.

Don't be fooled, that a aftermarket conversion, will live up to your future expectations.

### Standard Items

A Kombi Sport seats 5 or six as standard and prices are inclusive of metallic paint, air conditioning, privacy glass, opening side windows, glass tailgate, colour coded bumpers and electric windows, rubber floor, twin airbags. Most of the items you would have ticked.

### Powerplants

The engines are all 2.0 litre diesel, a requirement demanded, to hit ever more rigorous Euro emission targets, and higher fuel economies.

The most popular engine is the six speed 140 PS engine, but 84, 102 and 180 PS are options though less available.

Also optional is LWB, DSG automatic 7 speed and even a 4x4 version.

If we don't have it we can order it

## SEATING OPTIONS

Front -

Standard - two seats

Seat Pack E - three seat  
bench

### Rear Seats

Standard - three seat bench

Seat H - 1 + 2 with Isofix

We stock all 4 combinations

Removable

All rear seats are removable

The floor is rubberized to  
ensure hard wear.

A double lining as standard  
ensures that knocks are not  
transmitted to body panels.

Two front seats or three

Its your choice.

We stock vans with both  
two and three front seats to  
add personalization to your  
choice.

Twin airbags as standard,  
and even a Chinese  
Takeaway hook to stop  
spillages.

**DOORS**

**TAILGATE STANDARD**

Every Kombi Sport gets a single side load door as standard. As standard Kombis come with a glass tailgate with rear wash and wipe. Factory options for barn or solid rear doors.

The rear seats shown in this image are the 3 seat bench seats. We also stock 2+1 which is seat pack H. Both are removable. Seat H also gives you ISOFIX for child seats.

Some popular factory fitted items that might already be on a stock Kombi Sport.

**TWIN AIRBAG SAFETY**  
The safest van ever thanks to ABS, EBD, ESP, Twin airbags all as standard

**SEAT PACK A**  
Simply a drivers armrest. Add one on passenger side is Seat Pack B  
**Option** Seat A ; Seat B  
**Price**

**REVERSING SENSORS**  
Makes a beep the closer you get to an object. Doesn't work too well with a towbar  
**Option** Reversing sensors

## TRANSPORTER KOMBI ICE

The Transporter Sport ICE works as its clean and simple. Its a pure design almost art.

The van is identical in specification to a standard Transporter Sport but is slightly more expensive due to the the standard black alloys and black roof. There are several alloy designs and these vary simply due to availability.

### Custom Design

We stock Kombi ICE but are happy to order a bespoke van for you. Typically many ICE customers have worked their way through the brochure and ordered many of the extras available

# FACTORY OPTIONS
