

THE CADDY SPORT AND CADDY WASP

Two great models. One for economy the Sport in 75 PS, 102 PS and DSG automatic

The other the WASP with a 140 PS engine, six speed and leather

Kombi versions are available as a special factory order

Both get chrome bumpers and grille. The WASP gets fogs and alloys

DER NEUE CADDY

The Volkswagen Caddy from Swiss Specification guide.

01656 674620

Caddy Sport

75 PS and 102 PS engines
Airconditioning ; metallic colour coded bumpers; chrome pack; side load door; CD; remote locking; side load door; electric windows; plus much much more.

Caddy WASP

The Wasp gets all that plus leather, alloys, colour touch screen SATNAV, front fog lights.

Caddy WASP Blackberry

Same as WASP

Limited run

Blackberry leather

Blackberry metallic

Bespoke versions

Of course we are only to happy to vary the specification to please you, up or down.

Alloys

Most Caddy Sports and WASP can have Swiss Alloys fitted, unless factory alloys fitted. German, highest quality. 15" 17"

COLOUR TOUCH SCREEN SATNAV WASP

Our standard specification WASP comes with Volkswagen colour SATNAV. Later versions come without but have an option of a dealer fitted Kenwood colour touch screen, just in case you know your way around.
